

THINK ORANGE

Orange is a secondary color, created when you combine two primary colors—red and yellow.

Orange is what red and yellow can do when they combine efforts. If you paint only with red, you will get what only red can do. If you paint only with yellow, you will get what only yellow can do. But when you paint with red and yellow, you'll get new possibilities, fresh solutions and vibrant outcomes.

ORANGE IS A UNIQUE AND INNOVATIVE APPROACH TO COMBINE CRITICAL INFLUENCES IN LIFE TO FUEL FAITH IN THE NEXT GENERATION.

We believe the warm heart of the family can be represented by the color red, and the bright light of the church can be represented by the color yellow. When these two entities combine their efforts for the sake of the spiritual growth of the next generation, the result is Orange.

ORANGE IS A COMPREHENSIVE PLAN. IMAGINE EVERY LEADER AND EVERY PARENT IN OUR CHURCH WITH EXACTLY THE SAME STRATEGY IN MIND FOR REACHING THE END GOAL.

From preschool to college, it draws on the elements of **wonder**, **discovery** and **passion**, infusing them into children, students and young adults. Why? To see God for who God is, to help young people see themselves the way God sees them, so that they can love others the way God does.

Starting with **wonder** (infant to 4 years), Orange helps preschoolers embrace a God who is bigger than their imagination, then adds **discovery** (K5 – 5th grade) so children can understand how to grow in their relationship with God. Finally, Orange fuels **passion** by giving students opportunities to be the church and to make a difference influencing their generation.

ORANGE IS A COMMUNITY.

WHEN YOU'RE ORANGE, YOU'RE NOT ALONE.
