

Remember

what it was like

to jump into a just-raked pile of leaves ?

Find that joy again in
United Methodist Women

Circles of friendship filled with the joy & hope that only friends can bring. Fun projects that get you out, get you talking & get you doing. Delicious lunch just begging to be shared with a friend. There's a hand reaching out that says "C'mon, grab hold, together is a great place to be!"

when you could

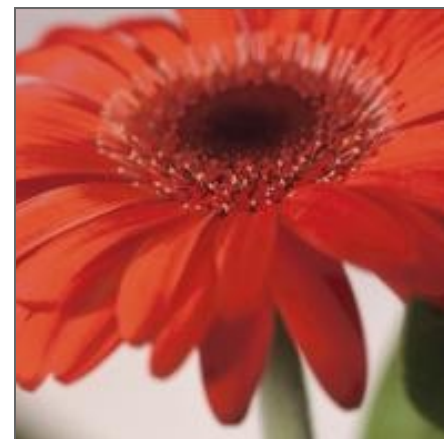

share an afternoon with your best friend?

United Methodist Women are in service to women & children at home and globally.

We care for the UMCWFB's Kitchen, Walnut & Bride Rooms.

Global ministries are supported financially with an annual pledge.

The Holiday Bazaar & the All Church Rummage Sale are projects of our UMW.

The money earned helps more than a dozen missions & ministries at home and in the world. We affirm Family House as our Focus Mission with monthly goods and financial help.

Laughter
is the
BEST
medicine.
