

On a very sunny but chilly Saturday in early October, five of our church members walked the lakefront perimeter through Veterans Park and Lakeshore State Park, raising awareness and dollars for AIDS Research and treatment. Our Team collectively raised \$410 in pledges and we thank those of you who sponsored us. We joined with hundreds of others in raising thousands of dollars that benefit the many programs of the Aids Resource Centers of Wisconsin. Next year, watch for announcements of the 2012 walk date and come and join us! Mary Lou Taylor, Cathy Lathrop, Martha and Richard Whitaker and Lori Ebbott.
