Greetings, Families:

We gather 3 evenings in July around the campfire at the Urban Ecology Center in Riverside Park to consider the parable of the Sower and how we might be faithful stewards of earth’s resources, and sowers of God’s love in the world.

Please put a * beside the name(s) of each person who intends to do the rock climbing wall. This is an additional \$10 fee, payable at the Urban Ecology Center, and is only for those SK age this fall or older. A separate liability form also must be signed at the UEC.
